 179 as to the director of an applicant's facility, after receiving notification of that unsatisfactory
 180 determination, that applicant shall designate another director for such facility for which
 181 director the applicant has not received or made an unsatisfactory preliminary records check
 182 determination or state fingerprint records check determination and national fingerprint
 183 records check determination and proceed under the requirements of Code Sections
 184 20-1A-32 through 20-1A-34 and this Code section to obtain a state fingerprint records
 185 check determination and national fingerprint records check ~~determinations~~ determination
 186 for ~~the~~ such newly designated director. The director and any employee may begin working
 187 upon the receipt of a satisfactory state fingerprint records check determination ~~pending the~~
 188 ~~receipt of the~~ and national fingerprint records check determination from the department.
 189 (b) The department ~~may~~ shall revoke the license of ~~that~~ any facility if ~~the facility~~ it fails
 190 to comply with the requirements of this Code section and Code Section 20-1A-33 to

 198 16-12-1.1 or allow any such person to reside at or be domiciled at such facility in violation
 199 of Code Section 16-12-1.1. The department shall either deny the issuance of or revoke the
 200 license, commission, or registration of any such facility violating the provisions of this

201 Code section. The powers and duties set forth in this Code section are cumulative and not
202 intended to limit the powers and duties set forth throughout this article.

203 20-1A-37.

204 ~~(a) Notwithstanding any other provision of this article, an Any individual who is 18 years
205 of age or older who resides in a family day-care home, as defined by Code Section
206 20-1A-2, shall not be required to provide fingerprints for routine fingerprints records

208 affidavit stating that such individual is not present in the home at the same time as the
209 children who are received for pay for supervision and care. However, all persons residing
210 in a family day-care home are required to obtain satisfactory preliminary records checks
211 and submit them to the department a records check application. Such individual's
212 fingerprints shall be submitted for a state fingerprint records check determination and
213 national fingerprint records check determination. Such individual may reside at the family
214 day-care home upon receipt of a satisfactory state fingerprint records check determination
215 pending the receipt of the national fingerprint records check determination from the
216 department. If the state fingerprint records check determination is unsatisfactory, the
217 department shall notify the operator of the family day-care home, and such individual shall
218 not be allowed to reside at the family day-care home until such individual has obtained a
219 satisfactory state fingerprint records check determination and national fingerprint records
220 check determination or has had the unsatisfactory determination reversed in accordance
221 with Code Section 20-1A-43. The department shall revoke the license of a family day-care
222 home if such home fails to comply with the requirements of this Code section.~~

223 ~~(b) As an alternative to the requirements set out in this article pertaining to obtaining
224 preliminary criminal records check determinations through the department for employees
225 of centers and adults residing in a family day-care home, but not including directors of
226 centers, centers may obtain GCIC information through local law enforcement agencies. The
227 center shall be responsible for reviewing the GCIC information obtained for the potential
228 employee or adult residing in the family day-care home and making a written determination
229 that the individual does not have a criminal record as defined in this article. This written
230 determination, together with all supporting documentation received from any law
231 enforcement agency, must be maintained in the center's file and available for inspection by
232 the department. This satisfactory determination must be made before the employee begins
233 any duties for the center.~~

234 20-1A-37.1.

235 ~~(a) Where~~ However, where there is an urgent need for an emergency temporary employee
 236 to work at a center's facility in order to avoid immediate noncompliance with staffing
 237 requirements, such center may utilize the employee applicant as an emergency temporary
 238 employee after applying for the preliminary records check determination through the local
 239 law enforcement agency ~~and completing the affidavit~~. In such emergency situations, the
 240 director of the center ~~must~~ shall complete an affidavit, with all supporting documentation
 241 attached thereto, stating that the GCIC information has been requested through an
 242 identified local law enforcement agency and that the results were not immediately available
 243 to the center prior to assigning the employee to work with children at the center's facility
 244 in order to avoid immediate noncompliance with staffing ratios. The affidavit with
 245 supporting documentation ~~must~~ shall be maintained in the center's file on the individual and
 246 shall be available to the department for inspection. The director shall review the GCIC
 247 information upon receipt, but in no case shall an emergency temporary employee be
 248 permitted to continue working for more than ~~three~~ ten days without having a satisfactory
 249 state fingerprint records check determination ~~made by the director~~ and national fingerprint
 250 records check determination made and entered into the center's file on the employee with
 251 all supporting documentation. The department shall promulgate rules and regulations
 252 limiting the extent to which centers are authorized to use emergency temporary employees
 253 in accordance with this subsection.

254 (b) Employees, emergency temporary employees, and other adults required to have records
 255 ~~checks~~ check applications who are utilized by centers ~~are~~ shall be subject to all other
 256 requirements set forth in this article. Where the department has reason to question the
 257 validity of the NCIC information or GCIC information or the satisfactory determination
 258 ~~made by the center~~, the department may require the employee, emergency temporary
 259 employee, or other adult to submit a ~~preliminary criminal~~ records check application
 260 through the department together with appropriate fees.

261 20-1A-38.

262 (a) If the director of a facility which has been issued a license ceases to be the director of
 263 that facility, the licensee shall thereupon designate a new director. After such change, the
 264 licensee of that facility shall notify the department of such change and of any additional
 265 information the department may require regarding the newly designated director of that
 266 facility. Such information shall include, but not be limited to, any information the licensee
 267 may have regarding preliminary records check determinations or ~~any~~ state fingerprint
 268 records check determinations and national fingerprint records check determinations
 269 regarding that director. After receiving a change of director notification, the department

270 shall make a written determination from the information furnished with such notification
271 and the department's own records as to whether satisfactory or unsatisfactory preliminary
272 records check determinations or state fingerprint records check determinations and national
273 fingerprint records check determinations have ever been made for the newly designated
274 director. If the department determines that such director within 12 months prior thereto has
275 had satisfactory state fingerprint records check determinations and national fingerprint
276 records check determinations, such determinations shall be deemed to be satisfactory state
277 fingerprint records check determinations and national fingerprint records check
278 determinations as to that director. The license of that facility shall not be adversely
279 affected by that change in director, and the licensee shall be so notified.

280 (b) If the department determines under subsection (a) of this Code section that there has
281 ever been an unsatisfactory preliminary records check determination or state fingerprint
282 records check determination or national fingerprint records check determination of the
283 newly designated director which has not been legally reversed, the center and that director
284 shall be so notified. The license for that director's facility shall be indefinitely suspended
285 or revoked unless the center designates another director for whom it has not received or
286 made an unsatisfactory preliminary records check determination or state fingerprint records
287 check determination or national fingerprint records check determination and proceeds
288 pursuant to the provisions of this Code section relating to a change of director.

289 (c) If the department determines under subsection (a) of this Code section that there have
290 been no state fingerprint records check determinations and national fingerprint records
291 check determinations regarding the newly designated director within the immediately
292 preceding 12 months, the department shall so notify the center. The center shall furnish
293 to the department the fingerprint records check application of the newly designated director
294 after the date the notification is sent by the department, or the license of that facility shall
295 be indefinitely suspended or revoked. If that fingerprint records check application is so
296 received, unless the department has within the immediately preceding 12 months made a
297 satisfactory state fingerprint records check determination regarding the newly designated
298 director, the department shall perform a state fingerprint records check determination of
299 the newly designated director, and the applicant and that director shall be so notified. If
300 that determination is unsatisfactory, the provisions of subsection (b) of this Code section
301 regarding procedures after notification shall apply. If that determination is satisfactory, the
302 department shall perform a national fingerprint records check determination for that
303 director as provided in Code Sections Section 20-1A-34 and subsection (a) of Code Section
304 20-1A-35. The director may begin working upon the receipt of a satisfactory state
305 fingerprint records check determination pending the receipt of the national fingerprint
306 records check determination from the department. If that determination is satisfactory, the

307 center and director for whom the determination was made shall be so notified after the
308 department makes its determination, and the license for the facility at which that person is
309 the newly designated director shall not be adversely affected by that change of director.
310 If that determination is unsatisfactory, the provisions of subsection (b) of this Code section
311 shall apply.

312 20-1A-39.

313 (a) Before a person may become an employee other than a director of any center after that
314 center has received a license, that center shall require that person to obtain a satisfactory
315 ~~preliminary records check~~ state fingerprint records check determination pending the receipt
316 of the national fingerprint records check determination. The center shall maintain
317 documentation in the employee's personnel file, ~~which is~~ available to the department upon
318 request, which reflects that a satisfactory ~~preliminary criminal~~ state fingerprint records
319 check determination was received before the employee ~~began~~ begins working with
320 children. If the ~~preliminary~~ state fingerprint records check determination for any potential
321 employee other than the director ~~reveals a criminal record of any kind is unsatisfactory,~~
322 such potential employee shall not be allowed to begin working until either such potential
323 employee has obtained a satisfactory state fingerprint records check determination and
324 national fingerprint records check determinations determination or has had the
325 unsatisfactory ~~preliminary or state fingerprint records check determination or national~~
326 fingerprint records check determination reversed in accordance with Code Section
327 20-1A-43. If either the preliminary or the state fingerprint records check determination or
328 national fingerprint records determination is unsatisfactory, the center shall, after receiving
329 notification of the such unsatisfactory determination, take such steps as are necessary so
330 that such person is no longer an employee. Any potential employee other than the director
331 who receives a satisfactory preliminary records check determination shall not be required
332 to obtain a fingerprint records check determination except as permitted in accordance with
333 subsection (c) of this Code section.

334 (b) A license is shall be subject to suspension or revocation, and the department ~~may~~ shall
335 refuse to issue a license if a director or employee does not undergo the records ~~and~~
336 ~~fingerprint checks~~ check application applicable to that director or employee and receive
337 satisfactory determinations.

338 (c) After the issuance of a license, the department may require a state fingerprint records
339 check determination and a national fingerprint records determination on any director or
340 employee to confirm identification for records search purposes, when the department has
341 reason to believe the director or employee has a criminal record that renders the director

342 or employee ineligible to have contact with children in the center, or during the course of
 343 a child abuse investigation involving the director or employee.

344 (d) No center ~~may~~ shall hire any person as an employee unless there is on file in the center
 345 an employment history and a satisfactory ~~preliminary state fingerprint records check~~
 346 determination and national fingerprint records check determination or, if the ~~preliminary~~
 347 state fingerprint records check determination revealed a criminal record of any kind and
 348 national fingerprint records check determination was unsatisfactory as to such person,
 349 ~~either satisfactory state and satisfactory national records check determinations for that~~
 350 ~~person or~~ proof that an such unsatisfactory determination has been reversed in accordance
 351 with Code Section 20-1A-43.

352 (e) A director of a facility having an employee whom that director knows ~~or should~~
 353 ~~reasonably know~~ to have a criminal record that renders the employee ineligible to have
 354 contact with children in the center shall be guilty of a misdemeanor. If a director is
 355 convicted, including a plea of nolo contendere, pursuant to this subsection, such director
 356 shall not be eligible to remain as or become a director subsequent to such conviction.

357 20-1A-39.1.

 361 satisfactory state fingerprint records check determination and national fingerprint records
 362 check determination, the same as required under this article for new directors, employees,
 363 or adults living in a family day-care center on the effective date of this Act, unless such
 364 person is no longer a director of, employee of, or adult living in a family day-care center
 365 at the time a criminal background check would otherwise be performed under this Code
 366 section. If any such person has an unsatisfactory state fingerprint records check
 367 determination or national fingerprint records check determination, such person shall follow
 368 the procedure set forth in Code Section 20-1A-43.

369 20-1A-40.

370 (a) GCIC and law enforcement agencies which have access to GCIC information shall
 371 cooperate with the department in performing ~~preliminary records check determinations,~~ and
 372 GCIC and law enforcement agencies which have access to NCIC information or GCIC
 373 information shall cooperate with the department in performing state fingerprint records
 374 ~~checks check determinations and national fingerprint records check determinations~~ required
 375 under this article and shall provide such information so required for such records checks
 376 notwithstanding any other law to the contrary and may charge reasonable fees therefor.

388 with any dissemination of information or determination based thereon pursuant to this
389 article.

390 (b) A center, its director, and its employees shall have no liability for defamation, invasion
